

**Delft3D price list 2021(\$)**

<b>Fee initial year (\$)</b>												
<b>Annual fee after initial year (\$)</b>												
<b>Source Code Access (AGPL)</b> Delft3D 4 Suite: FLOW, MOR and WAVE RFGFRID*, QUICKIN*, QUICKPLOT and Matlab Interface, DELWAQ Delft3D FM Suite 2020: D-Flow Flexible Mesh*, D-Morphology*, SWAN (D-Waves*), DELWAQ (D-Water Quality*), Delta Shell*												
<b>Validated distribution "Delft3D Hydro-Morphodynamics &amp; Water Quality"</b> Delft3D 4 Suite: FLOW, MOR, WAVE, WAQ, SED, ECO and PART Delft3D FM Suite 2020: D-Flow Flexible Mesh, D-Real Time Control, D-Waves, D-Water Quality incl. pre- and post processing tools: RFGFRID, QUICKIN, DIDO QUICKPLOT and Matlab Interface, GISVIEW, GPP, TIDE and TRIANA setup, manuals and tutorials available for download												
<b>Validated distribution "Delft3D Hydro-Morphodynamics"</b> Delft3D 4 Suite: FLOW, MOR and WAVE Delft3D FM Suite 2020: D-Flow Flexible Mesh, D-Real Time Control, D-Waves incl. pre- and post processing tools: RFGFRID, QUICKIN, QUICKPLOT and Matlab Interface, GISVIEW, GPP, TIDE and TRIANA setup, manuals and tutorials available for download												
<b>Service Level 1</b> online support via web and phone: getting started, single user support Delft3D distribution update and upgrade subscription												
<b>Service Level 2</b> online support via web and phone: initial and ongoing response within 2 business days Delft3D distribution update and upgrade subscription												
<b>Service Level 3</b> online support via web and phone: initial and ongoing response within 1 business day Delft3D distribution update and upgrade subscription												
<b>Service Level 4</b> online support via web and phone: initial and ongoing response within 4 business hours Delft3D distribution update and upgrade subscription 5 days on-the-job training / support (excl. travel + hotel)												
<b>Service Level 5</b> tailored services to meet your needs in deploying specific business process solutions												
<b>Developer Services</b> tailored services to meet your needs in deploying specific software developments												
<b>Support hours per year</b>												

<b>Delft3D Open Source Code</b> for developers / researchers	free	free	√									na
<b>Delft3D Basic Service Packages</b>												
Delft3D Full Basic Service Package	9,400.00	7,050.00	√	√			√					16
Delft3D Hydro-Morphodynamics Basic Service Package	4,700.00	3,525.00	√		√		√					8
<b>Delft3D Advanced Service Packages</b>												
Delft3D Full Advanced Service Package	18,800.00	14,100.00	√	√			√					48
Delft3D Hydro-Morphodynamics Advanced Service Package	9,400.00	7,050.00	√		√		√					24
<b>Delft3D Professional Service Package</b>	28,200.00	21,150.00	√	√				√				64
<b>Delft3D Premium Service Package</b>	47,000.00	35,250.00	√	√					√			96
<b>Delft3D Enterprise Service Package</b>	On demand	On demand	√	√						√		pm
<b>Delft3D Educational Service Package</b>	4,500.00	3,375.00	√	√			√					8
<b>Delft3D Developer Service Package</b>	On demand	On demand	√	√							√	pm
<b>24 extra support hours</b>	5,750.00	5,750.00										24
